

# Presence, Pace and Provision Shocklee Family Update

YWAM – KONA

MACHALI, ELANI, & ZACH

## Aloha (again)!

I am excited to say we have applied and been approved to be a part of the **Spring 2018 Food, Energy, Water, Shelter (FEWS) Team**. This quarter long course, taught at YWAM-Kona, has this stated focus:

*Grow it. Build it. Share it with others.*

*“Get equipped in natural farming, construction basics, aquaponics, water and sanitation technologies, permaculture design, renewable energy, and biblically based community.”*

To say this is a direct answer to all my questions and an all-encompassing answer to what I want to be equipped for in the coming season – would be an understatement. This course will teach essential skills for building and leading an affordable, sustainable community of tiny houses – to serve the community and our surrounding neighbors.

To hear the back story on the amazing way God has led us to this point through laying things down, wrestling with questions, dreams and a sabbatical season – please email me at [gshocklee@gmail.com](mailto:gshocklee@gmail.com) and I will send the longer version of this update.

We would love to ask you to intercede on our behalf that God would go before us, that He would establish the pace of the next few months as we prepare to leave for this class, and that He would meet every provision needed (as we already know He will).

As you might have guessed there are costs involved with saying yes to something like this. We have seen doors fling wide open in many areas of need but there is still the financial cost that needs to be met.

***By the first of April, we need to raise \$11,860 for the cost of the school (that includes campus accommodations) as well as approximately \$4500 for the round-trip flights (unless someone has points to donate).***

To make a tax-deductible gift you can give through [www.TheBridgeConnection.org](http://www.TheBridgeConnection.org) and mark “STIPEND” or mail to PO Box 732, Wylie, TX 75098.

If you would like to donate to YWAM direct for our course expenses (which is not tax-deductible) you can use this link for my YWAM account.

Thank you for partnering with us through prayer and financial support to gain the equipping we need for the next step.

Please let us know if you have any questions.
